

We recommend adding some additional information to your existing marketing message to account for the unique conditions of our S+ voucher as the following:

The Sportatous S+ sports voucher can be used in the following ways:

1. When using the experience class voucher, it can be redeemed for a trial session (subject to availability of the coach's time and venue).
2. When using the cash voucher, Sportatous platform will reimburse a portion of the session fee based on the voucher cash value, and the remaining amount will be directly paid to the coach.
